# NAURU CITIZENSHIP

Nauru is a small beautiful island country located in Pacific region with Australian Dollar as its currency. The country is known for its phosphate reserves used for sustainable energy technology. Nauru launched the most affordable citizenship by investment program in 2024 that requires \$130,000 as donation to Nauru's Treasury Fund. Further, Nauru citizenship is ideal for people seeking visa free travel to countries like the UK, Malaysia, Singapore and UAE. This makes Nauru Passport valuable for investors as none of the passport from leading CBI countries offer visa free access to UAE.
