DOMINICA

The Commonwealth of Dominica’s Citizenship by Investment Programme was organized in 1993 to boost the island economy, the program today is the biggest source of income for the country. Dominica is politically and economically secure, with a low crime percentage and rich investment opportunities. Nicknamed the “Nature Island”, it is also one of the most alluring places on earth, with a pristine coastline, acres of pristine tropical rainforest, and incredible coastal biodiversity are adding more to its beauty and importance. Dominica Citizenship by investment program provides a way by which successful citizens of foreign countries are ready to apply for Dominica Citizenship by either donating to the govt Diversification Fund or investing in Government Approved Real Estate such as Hilton Tranquility Beach Resort.
