# TURKEY

---

Turkey is a big country which is divided among the continents of Europe and Asia. It has a small part, called the Thrace in Europe while a larger part, Anatolia is present in Asia. It is situated between Greece and Syria bordering the Black Sea , Aegean and therefore the Mediterranean. The Turkey Citizenship-by-Investment Program was launched in January 2017 to draw in foreign direct investment and to boost growth within the country's land sector. The program allows applicants to settle on from various sorts of economic contributions to Turkish society, thereby developing the country's economy. With the town of Istanbul embracing Europe and Asia, Turkey is a transcontinental country. Its location at the crossroads of Europe and Asia makes it a rustic of serious geostrategic importance.
